

## Lochiel Cub Pack – Badge Positions for New Cubs

### For all Cubs

At investiture we give out the following uniform badges:

- Membership Award
- Scotland Flag
- Clyde Region
- Great Western District
- Group Name Tape -20<sup>th</sup> Glasgow (1<sup>st</sup> Milngavie)
- Lochiel Cub Pack Name Tape

We also (when possible) give out a fun badge (“Welcome to Cubs” or similar). This is not a uniform badge and can be placed on a polo shirt or badge blanket\* if you have one.

### For Cubs who were previously in Beavers

At investiture we also give former Beavers the following uniform badges:

- Moving On Award.

Beavers can also move their blue Staged Activity Badges (highest level only) to their Cub uniform (left sleeve) – see next page for more info.

### \*Badge Blankets

If you want to keep all the old yellow Beaver Activity Badges, lower levels of Staged Activity Badges and Beaver Challenge Awards you might like to invest in a badge blanket. It is a great place to keep badges as you move up through the sections and is also a nice way to collect badges from Scout campsites and other events. It is sometimes also known as a camp blanket. Let us know if you would like to see one.

### Recycling Uniforms

If you would like to hand your old Beaver uniform in to be reused, please pass this to a Leader. Equally, please contact a Leader if you would like a second-hand Cub jumper or polo shirt.

### Don't Panic!

We appreciate this is a lot of sewing so don't worry if you don't manage it straight away. We usually do "inspection" once a term but we'll give plenty of warning!

Many thanks for your support.
